

Mothers' Union Fabric Bags for Africa

Alongside our Pencil Case project in which we are collaborating with Phoenix Resources to send 7,000 pencil cases (see this page for knitted and sewn patterns), Phoenix would like fabric bags like these in the pattern to send out the pencil cases and exercise books to the children in Africa. If you are able to make these, please size up the description above to 20cms x 30cms. It needs to be big enough to take a book, a couple of exercise books and a filled pencil case.

Thank you do much for your help.
